PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 C.F.R. § 1.10(c)

Dear Sir:

A Notification of Abandonment for the above-referenced application was issued by the United States Patent and Trademark Office on July 1, 2004. The Notification of Abandonment was based on an erroneous determination that Applicants failed to respond to the Notification of Missing Requirements mailed October 16, 2002.

APPLICANTS HEREBY PETITION FOR WITHDRAWAL OF THE HOLDING OF ABANDONMENT IN THIS APPLICATION and transmit herewith the following: (1) A copy of the Second Submission of items concerning a filing under 35 U.S.C. § 371, transmitted October 25, 2002 by Express Mail Label No. EU 666989887 US, including Transmittal, executed Declaration, Check No. 301433 (\$130), Notice of Missing Requirements mailed October 16, 2002, and Return Postcard; (2) A copy of Stamped Return Postcard, stamped with the designation "DT05 Rec'd PCT/PTO 25 OCT 2002"; (3) A copy of the Notification of

Abandonment, mailed July 1, 2004; and (4) A copy of Communication Regarding Notice of Abandonment, mailed July 16, 2004 (attachments omitted).

Applicant respectfully requests consideration of the following:

1. *On October 25, 2002, Applicants filed a timely response to the Notification of Missing Requirements mailed October 16, 2002, as demonstrated by the following documents:*
 - a. Express Mail Label No. EU 666989887 US dated October 25, 2002.
 - b. Transmittal Letter bearing a Certificate of Mailing signed by Theresa A. Barnstable, certifying the deposit of the response with the U.S. Postal Service by "Express Mail Post Office to Addressee" on October 25, 2002.
 - c. Stamped return postcard, stamped with the designation "DT05 Rec'd PCT/PTO 25 OCT 2002."

Under 37 C.F.R. §1.10(c), 37 C.F.R. §1.8, and MPEP §§ 503 and 711.03(c)(I)(B), respectively, each of these documents provides a basis for withdrawal of the holding of abandonment in this application. Applicant respectfully submits that together, the documents demonstrate that Applicants timely filed the response through the U.S. Postal Service, and that the Patent Office received the response.

2. *Applicants filed a sufficient and complete response to the Notification of Missing Requirements mailed October 16, 2002.*

The Notification of Missing Requirements mailed October 16, 2002 required Applicants to provide the "oath or declaration of the inventors...identifying the application by the international application number and international filing date;" and "\$130 surcharge for providing the oath or declaration later than the appropriate 30 months months [sic] from the priority date." In response, Applicants furnished the declaration as requested along with Check No. 301433 in the amount of \$130, a copy of the Notification, a Transmittal Letter, and a return postcard listing each component of the response. Therefore, Applicants respectfully submit that the response transmitted on October 25, 2002 was both timely and complete.

3. *Applicants' petition to withdraw the holding of abandonment is timely and should not affect the calculation of patent term adjustment under 37 C.F.R. § 1.704 and the American Inventors Protection Act of 1999 (AIPA).*

Under 37 C.F.R. § 1.704(a) and MPEP 711.03(c)(I)(C)(3) an applicant who files a petition to withdraw a holding of abandonment more than two months after receipt thereof is subject to reduction to any patent term adjustment (PTA) which may be available under the AIPA. The applicant's PTA is reduced by a period equal to the period of time during which the applicant "failed to engage in reasonable efforts to conclude prosecution." By implication, this provision indicates that the PTA shall not be reduced in an application in which the applicant engaged in reasonable efforts to conclude prosecution.

In this case, the Notice of Abandonment was mailed on July 1, 2004. On July 16, 2004, Applicants transmitted the enclosed Communication Regarding Notice of Abandonment by facsimile to Ms. Mamie Person in the Office of PCT Operations at (703) 746-6699. Since then, Applicants have been in telephone contact, first with Ms. Person, and later with Mr. Leonard Smith in the Office of PCT Legal Administration, to determine the status of the application. Applicants' records indicate at least four telephone communications between Applicant and the Patent Office. On January 4, 2005, Mr. Smith stated that the above-referenced application is currently in the Office of PCT Legal Administration but has not yet been approved, with the delay attributable to the holiday season. Mr. Smith indicated that a filing receipt would not issue for "at least another month."

Applicants respectfully submit that the documents provided as well as the communications with the Patent Office demonstrate that Applicants have engaged in "reasonable efforts to conclude prosecution." Applicants note that each of the documents described at (1) above was provided with the July 16, 2004 Communication, and therefore, as of July 16, 2004, Applicant had provided evidence sufficient to demonstrate that the Patent Office had issued an erroneous Notice of Abandonment in the above-referenced application. Applicants further submit that the July 16, 2004 Communication, the subsequent telephone communications with Ms. Person and Mr. Smith, as well as this Petition provide sufficient evidence that Applicants' diligence in pursuing withdrawal of the Notice of Abandonment amounts to "reasonable efforts to conclude

prosecution.” Therefore, Applicant respectfully request that the Patent Office not reduce the PTA which may accrue to the above-mentioned case based on the span of time between the July 1, 2004 Notice of Abandonment and the filing of this Petition.

No fee is believed due in connection with the filing of this petition, however should any additional fees be deemed necessary, the Commissioner is hereby authorized to deduct any such fees from Howrey Simon Arnold & White Deposit Account No. 08-3038. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
